INFINITI "R" SERIES ROWERS

Candice Falzon
Australian Ironwoman

Over a decade of research & development has gone into refining the "R" Series range of Rowers.

Starting from an entry rower for the beginner, to fully programmable models with pacer, HRC & interval programmes to suit intermediate and advanced users. The "R" Series represents quality, features & value for everyone who wants a rower to suit all needs their at home.

Benefits of a rowing machine

Rowing is a very efficient form of exercise because all major upper & lower body muscle groups are engaged at once.

Cardio training, conditioning of the core, upper & lower body muscles combine for a low impact calorie burning workout.

Peace of mind with INFINITI

When you purchase an Infiniti product you receive our benchmark in customer care...The Full circle plus life coverage warranty. This entitles you to a Lifetime warranty against manufacturing defects and in addition the first 5 years from purchase covers the all important motor and drive system unconditionally for all parts and all labour.
